BENEFACT GROUP

Align your values with ours

WRS are proudly part of the Benefact Group, which is owned by one of the UK's leading grant-making charities, the Benefact Trust. Benefact Group are a diverse family of specialist financial services businesses, driven by our shared ambition to do right by our customers and united by a common purpose to give all available profits to charity and good causes.

We have donated over £200 million since 2014.

Giving our profits to good causes means we are motivated by something far greater than the need to satisfy shareholders' returns, allowing a focus on the highest levels of customer service and satisfaction.

"I have always found everyone at WRS Insurance extremely helpful and I am delighted with the service they provide. They are very knowledgeable about the third sector generally and took the time to come and understand our business to make sure we got the policy which best suited our particular, diverse needs.

They are very good at getting claims resolved quickly and are all-round nice people to deal with – very friendly and very enthusiastic. WRS always seem to be looking out for our best interests."
